

CALL FOR PAPER

International Conference

“Population Aging: New Challenges for Public Policy”

9 – 10 November 2015
Beijing (China)

The Central University of Finance and Economics (Beijing, China), the School of National Fiscal Development (China), the Institute of Health Finance and Economics (China) and Sciences Po (Paris, France) will organise a conference on “Population Aging: New Challenges for Public Policy”.

The main objective of the conference is to contribute to a better understanding of the social, economic, political, organisational and financial implications of ageing both at individual and collective levels.

All submissions, from both academics and practitioners, are welcome but particularly those focussing on the following issues:

- (1) Administration and Public Policy: Welfare state, Elderly care (including facilities, community care and in-home services for the older people), Spatial planning and housing policy, Industry policy to encourage research and innovation to face aging, Organization and delivery of long-term care, Centralized vs decentralized management, International comparisons, etc;
- (2) Population Aging and Financial and Social Sustainability Challenges: Social security financing, Private vs public insurance, Demographic transition, Long term saving, Intergenerational transfers and solidarity in the family, International comparisons, etc;
- (3) Longevity and Medical Perspectives: Longevity and morbidity projections, Public health and health policy, Gerontology research and geriatric practice, Numerical health, International comparisons, etc;
- (4) Integrative Approach to Aging: Cross-disciplinary/Multi-disciplinary research challenges.
- (5) Health Reform and Aging: Medical and health system, public hospital reform, the significance of state and market and relationship between them, primary medical care, reform of fiscal payment, etc.

Submission

Participants are asked to submit to bjconference2015@163.com a proposal (long abstract) or a full paper by 2015.Jul.31 for enough time to translation. Chinese proposal (long abstract) should be submitted no late than 2015. Aug.31. Final decision will be communicated on 2015.Sept.15. The deadline to confirm participation is 2015.Oct.5.

Expenses

Conference covers round trip economy class air ticket, accommodation expense and meal expense of VIP and Keynote speakers for three days.

Participants whose paper is received are free of charges of registration fee. But the conference won't cover their transport expense, accommodation expense and meal expense.

Participants who don't have any paper need to pay registration charges 1000RMB. And the conference won't cover their transport expense, accommodation expense and meal expense.

All participants are registered and are provided with conference materials for free.

Official languages

The three languages of the conference are Chinese, English and French. Simultaneous interpretations in Chinese & French and in Chinese & English will be provided. Slide presentations should be in English.

Scientific publication

Best papers could be proposed to scientific journals for publication.
